Hi Jon just to let you know there is another water leak on LCP in the same area as the last one from last week on October 6th. I will be emailing Carrie and John Hoffman.

Dave, Carrie mentioned that the leak at LCP is back. See my note to American Water (below).

Please let me know if you notice any work being done.

Thanks, jon.

Subject: Another Pipe Break at the LCP Superfund Site - Linden NJ

Good afternoon Mike. I understand there's another leak at the LCP Site in Linden. As before this needs to be repaired by contractors who are trained to work on sites impacted by hazardous material (e.g., "Hazwoper" certified). Also, as I mentioned last January, this pipe will have to be diverted at some point.

Please give me an update on the repair as soon as possible.

Thanks,

Jon Gorin
